ABOUT US

We are a non-denominational, self-governing body of Bible believers. Our purpose is two fold: (1) to evangelize the community and (2) to edify the saints of God. As an independent Bible church we are free from denominational programs and religious hierarchy. This gives us liberty to structure our ministry after scriptural patterns. We believe the Bible must be rightly divided according to the dispensational principle set forth in II Timothy 2:15.
