I went back by the shack down by the wa - - ter
G F G C

Where we first joined our hands long a - - go.

But they've torn it a - - way, on - - ly me - m'ries stand to - - day

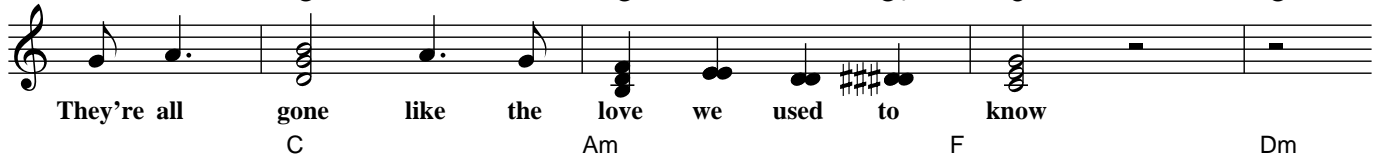

but your me - - mo - ry lives with me al - - ways

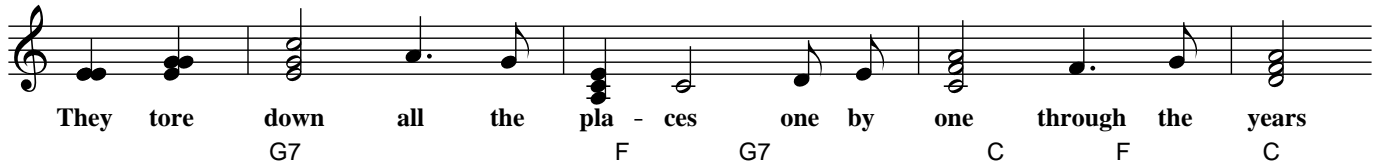

They tore down all the pla - ces you and I used to go

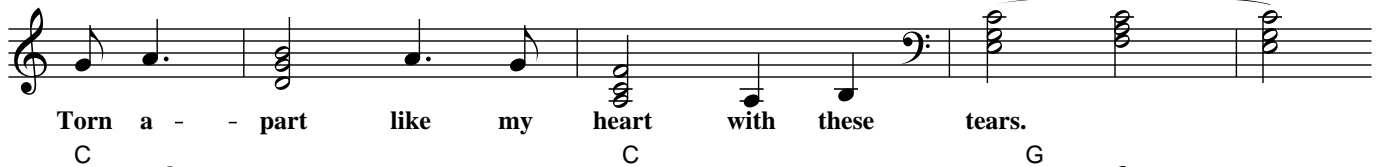

They're all gone like the love we used to know

They tore down all the pla - ces one by one through the years

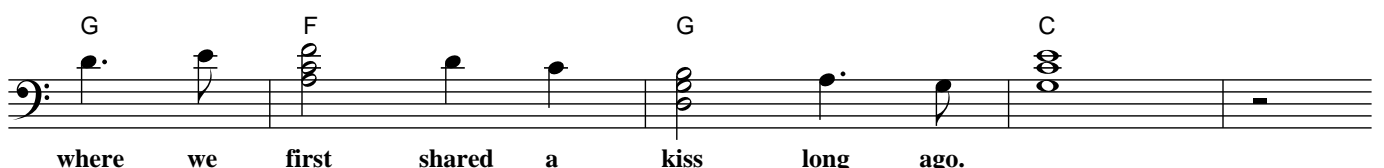

Torn a - - part like my heart with these tears.

I went back to the drive - in that we went to

where we first shared a kiss long ago.

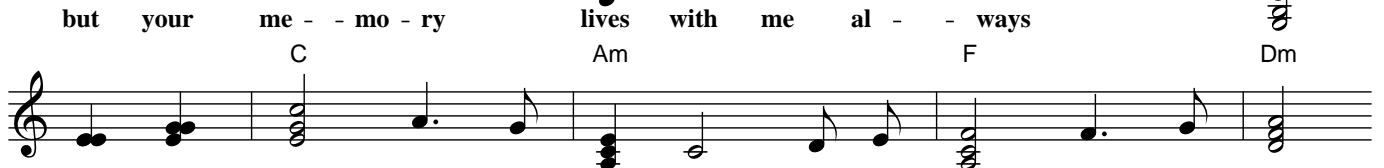

But they've torn it a - - way, on - - ly me - m'ries stand to - - day

but your me - - mo - ry lives with me al - - ways

They tore down all the pla - ces you and I used to go

They're all gone like the love we used to know

They tore down all the places one by one through the years

Torn a - - part like my heart with these tears.
