All have turned to their own way. On our own each one has strayed,  
 Read your Bible every day. It will lead your heart God's Way.  
 When you're worried or dismayed, and your heart is so afraid,

And is seeking, what it seems, brings happiness.  
 In your deeds and choices, heed the voice, of Christ.  
 And your problems, have no end, that you can see.

Jesus calls us from our night.  
 Let the One who is the Way,  
 Just remember God is there,

Turn from darkness to His Light.  
 lead you on from day to day.  
 with His peace for every prayer.

Jesus, will please us, the best.  
 Give God, control of, your life.  
 Let God, fill all of your need

Jesus will please us the best His Way, if we will only believe

Give God control of your life to-day. Let God fill all of your need
